Dear Sir:

The Notice of Allowance and Fees Due dated November 15, 2006 advised the Applicant that the issue fee is due. The Notice states that the Applicant is considered a small entity for this application, and therefore the small entity issue fee of \$700 is due, along with the publication fee of \$300, for a total of \$1,000.

Applicant filed this application as a large entity. The undersigned has reviewed the file and believes that Applicant has always prosecuted this application as a large entity, paying all large entity fees. The undersigned does not understand how the PTO came to classify this Applicant as a small entity. The undersigned hereby certifies that, if the Applicant ever made any implied or express representation during prosecution of this application that this Applicant is a small entity, any such inadvertent statement were made in innocent error without attempt to deceive. In order to ensure that the Applicant is treated as a large entity for all future purposes, Applicant hereby submits this Notice of Withdrawal of Small Entity Status.

Applicant encloses the issue fee of \$1,400 for a large entity, along with the publication fee of \$300, for a total of \$1,700.

If the Office believes that any fees paid during prosecution of this application were the fees for a small entity, rather than a large entity which is the correct classification for this Applicant, the Office is urged to contact the undersigned and point out the deficiency so that Applicant can promptly correct any past fee deficiency.

The undersigned attorney can be reached at 310-590-4528.

Respectfully submitted,
